Part 4: Consent, Terms and Conditions

You are eligible for individual coverage if:

- You are a resident of Michigan and live in the state at least six months of the year, and
- You are not eligible for group coverage through an employer or your spouse's employer, and
- You are not currently covered by another health plan, excluding Medicaid, and
- You do not have Medicare and are not eligible for Medicare supplemental coverage

We will consider you to be eligible for group coverage if your employer or your spouse's employer pays you or BCBSM any part of your premium. You may be eligible for BCBSM group conversion coverage if, in addition to meeting the eligibility requirements for individual coverage as listed above, you have been enrolled in a BCBSM group that contributes to the subsidy required by the State of Michigan.

Note: If you voluntarily terminate your BCBSM coverage as a sole proprietor or one-subscriber group, or your benefits as a member in an association that offers BCBSM coverage to its members, you are not eligible for the Group Conversion programs.

I am applying for BCBSM health coverage and/or BCBSM Personal Blue Dental or Personal Blue Dental Plus subject to the terms and conditions of this application, and I agree that I and my covered dependents will be bound by all provisions in the BCBSM certificate and riders, and/or the BCBSM Personal Blue Dental or Personal Blue Dental Plus benefit requirements. Approval of this application and coverage effective date will be determined by BCBSM and shall be subject to requirements by BCBSM for additional information and payment of bills.

I certify that the requirements of eligibility are met and that all of the information supplied on this application is true, correct, and complete to the best of my knowledge. I understand that the information will be used in reviewing my application and administering coverage and that any misrepresentation and/or false or misleading information regarding eligibility may result in termination of coverage. This coverage is not an employer group health plan and is not intended in any way to be an employer-sponsored health insurance plan. I certify that my or my spouse's employer will not contribute any part of the premium, nor will I be reimbursed for any part of the premium by the employer now, or in the future.

Authorization for Use and Disclosure of Protected Health Information (PHI)

I understand that BCBSM may collect personal and protected health information (PHI) about me in order to complete my application for coverage. BCBSM will use and disclose this information only in accordance with their Notice of Privacy Practices which is available on bcbsm.com or by calling 313-225-9000.

I authorize:

- Use and disclosure of my PHI, including membership, eligibility and claims data stored on Blue Cross Blue Shield of Michigan and its subsidiaries' computer systems.
- Physicians, health care professionals, hospitals, clinics, laboratories, pharmacies or pharmacy benefit managers, or other health care providers that have provided treatment or services to me or any of my dependents who are also applying for coverage to disclose medical records, prescription history, medications prescribed and other PHI as requested to BCBSM.
- Health plans, governmental agencies or prescription drug profiling companies that have a previous relationship with me or who have knowledge of my medical information or the medical information of any of my dependents who are also applying for coverage to disclose medical records information, prescription history, medications prescribed and other PHI as requested to BCBSM.

My authorization includes disclosure of information on the diagnosis and treatment of Human Immunodeficiency Virus (HIV) infection and treatment of mental illness and the use of alcohol, drugs and tobacco, but excludes disclosure of psychotherapy notes.

This authorization includes and applies to any and all protected health information related to treatments or services where I have requested a restriction and/or for any health care item or service for which the health care provider has been paid out of pocket in full.

This PHI is to be disclosed so that BCBSM may: (1) perform case, care and disease management, (2) administer claims and determine or fulfill responsibility for coverage and provision of benefits, and (3) for other legally permissible purposes, including but not limited to, healthcare operations. If BCBSM discloses this information, the recipient must obtain an additional authorization from me before it may re-disclose the information and if I provide this authorization information may be re-disclosed by the recipient and no longer protected.

I understand that my enrollment with BCBSM is conditioned upon my authorization to release PHI for the purposes stated above and that if I do not provide authorization, I may not be eligible for enrollment. My signature on this form indicates my approval for the release of PHI from BCBSM and its subsidiaries and from any of the parties listed above to BCBSM. A photographic copy of this authorization shall be valid as the original.

This authorization will expire after 30 months or upon rejection of coverage. I understand that I am entitled to receive a copy of this authorization upon request. I may revoke this authorization at any time by sending a written request on a [standard form](#) available online at bcbsm.com or by contacting my agent. I understand that revocation will not affect actions taken before BCBSM or any of the parties identified above receive my request.

Pre-existing Conditions

A pre-existing condition is any medical condition for which medical advice, diagnosis, care, or treatment was recommended or received in the 6 months prior to the date your application was received by BCBSM.

180 day pre-existing condition waiting period

BCBSM provides no coverage for treatment of a pre-existing condition for 180 days following your effective date of coverage.

You will be subject to the 180 day pre-existing condition waiting period:

- If you have no prior coverage or your previous coverage was an individual policy. If your previous individual coverage was with BCBSM, you may receive credit toward the waiting period for the number of days you were covered under the previous certificate, provided there is no lapse in coverage.
- If you were covered under COBRA but have not exhausted your COBRA benefit.

You *will not be subject* to the 180 day pre-existing condition waiting period if all the following conditions are met **(HIPAA Eligibility)**:

- Prior to your application for this coverage, you were continuously covered under one or more health plans for a total of at least 18 months, with no more than a 62-day break. Coverage may include group health plans, individual health insurance, Medicare, Medicaid, public health plans, military or federal benefit programs, Indian Health Services, freestanding prescription drug coverage or other health plans. Freestanding dental and vision coverage cannot be counted as prior health coverage.
- Your most recent health coverage must have been through a group health plan (Please note that if health coverage was provided through an association or other organization, it is considered to be "individual" health insurance if it is not provided through an employer sponsored group health plan. Also, a business owner and spouse are usually not considered employees of a business if no other employees take part in the health plan. If this is the case, the health plan cannot be defined as a "group" health plan but is instead an individual plan. If, however, the spouse of the business owner is a bona fide employee of the business, the plan may be a group health plan).
- You have elected and exhausted any COBRA coverage for which you and/or your dependents were eligible
- You are no longer eligible for group coverage and you are not eligible for Medicare or Medicaid
- Your prior coverage was not terminated due to premium nonpayment or fraud
